Review of Minutes from Prior Meetings

Meeting minutes are current at:

https://jakarta.ee/about/meeting_minutes/#steering_committee

and

<https://jakarta.ee/committees/steering/>

The [Minutes of the November 7, 2023 Jakarta EE Steering Committee Meeting](#) were approved.

The [Draft Minutes of the March 12, 2024 Jakarta EE Steering Committee Meeting](#) were approved.

The [Draft Minutes of the March 26, 2024 Jakarta EE Steering Committee Meeting](#) will be reviewed next time.

Jakarta EE 11 Update

- The following reflects the release plan of record
 - [Jakarta EE 11 Release Plan](#)
- Tracking [spreadsheet](#) of specifications progressing through the [JESP](#) version [lifecycle](#).
- Azure Boards board we are using for the work. The public access URL is <https://dev.azure.com/jakarta-ee-azdo/jakarta-ee-azdo> If you want more access, send Ed Burns an email with the email address to which he will send an invitation.
- Notes from Jakarta EE Platform Project Call

- https://docs.google.com/document/d/1DF0T2hbJqDNsY0v_IYFKCz-ZgHPbnMUJ_u6mhmt5LCJU/edit
- See [Draft Minutes of the March 12, 2024 Jakarta EE Steering Committee Meeting](#) for updates from last time.
- In the last meeting, there was discussion of tracking progress to the mid-July release target. The following warrants tracking in this meeting - what is the status of MS 2?
 - Ballots are underway, target for completion in 3rd week of April.
 - Not changing Jakarta EE 11 "GA" plans at this time.

Jakarta EE 11 Messaging

- Jakarta EE 11 messaging document [link](#)
- Marketing team accepts review feedback and owns the content of this messaging document. Members of this committee are encouraged to review and comment.
 - No feedback so far. People are encouraged to comment.
 - Marketing Committee will harvest from DevNexus presentations. Not a worry at this time, but this doc will need significant improvement.
 - Ivar shared his presentation deck for DevNexus - provided below for reference
 - <https://speakerdeck.com/ivargrimstad/prepare-for-jakarta-ee-11-performance-and-developer-productivity>

Jakarta EE Developer Survey

- Survey was made available on **Mar. 19**:
 - <https://www.surveymonkey.com/r/7JDP8BP>
 - [Link to survey collector report](#) , total of 767 as of 3 Apr 9
- Social Kit is available [here](#). Please help promote!
- Translations of the Developer Survey have been completed.
- Survey will launch on **will close May 31**
- Hoping to generate more survey responses than last year – Ideally, we would like to exceed 2000 respondents this year.
- Marketing team to update the social kit to add additional collector link details for languages, JUGs, etc. Until then, [see this Sheet](#).
 - Ivar has alerted JUG leaders - thank you

Devnexus Atlanta April 9-11, 2024

- Conference underway.
- Expect update next time.
- The Jakarta EE workshop was canceled due to low registration.
- [Devnexus social kit](#) - please help with promotion
- [DevNexus Conference Schedule](#)
- Marketing committee has created a social kit for promotion

[Devnexus 2024 talks](#) (look for Jakarta EE)

Jakarta EE – Future Vision Initiative [was: Beyond Jakarta EE 11]

Neil Patterson provided an update on this initiative on March 26 (see below).

The [working document](#) has been updated/replaced with a new one that better organizes the material, defines the steps and status of each, and provides some guidance on the responsibilities for the various ideas that were generated. From the [document](#), the following outlines these steps and progress.

1. [Complete] Brainstorm about directions we should take Jakarta EE after release 11 is out. This will involve working sessions with the Steering Committee, Spec Committee, Marketing Committee and member organizations.
2. [Complete] Generate a working document that will influence the next generation of specs, messaging, content, and more.
3. [In Progress] Integrate top ideas into the technical survey to gather feedback.
4. [In Progress] Deliver specification and working group recommendations to relevant committees.
5. [In Progress] Form an [interest group](#) (Name TBD) to prioritize and explore the topics in greater detail, especially those beyond the typical Jakarta EE scope. Initial participation interest: Microsoft, Payara, IBM, Oracle, Tomitribe

We will include this item in the agenda for the April 23 meeting.

Objectives

- Tanja requests members to please review the 2024 quarterly objectives.
 - [2024 quarterly planning](#)
- We will look for a Q1 progress report from Tanja on April 23
- Update on growing contributors and reward committers (Will/Oracle)
 - Added two new objectives:
